## Pet Policy

The owners have made an exception for you to bring your pet to the beach. Please observe the following rules so we can extend this option in the future.

- Please do not leave your pet unattended in the property. This is to prevent any damage to the property and for the safety of the pet.
- Pets are not allowed on furniture or bedding.
- Pets must be on a leash at all times on the property. They may run on the beach without leashes.
- Please pick up and dispose of any waste on the property and beaches.
- Please restrain your pet from barking on the property as there are other units in the building that do not allow pets. If you are in a house the neighbors may not enjoy listening to barking dogs.
- Any pet hair found will result in additional cleaning costs. Please vacuum and clean the property of any pet hair prior to departure.
- If carpets require cleaning after your departure due to hair, pet messes etc. you will be billed accordingly for cleaning costs.

Thank You; The Owners
